

Dear Partner,

Thank you for your decision to partner with No Bad Driving. We look forward to working with you. Enclosed you will find the following documents:

- 1) Ordering Instructions Master copy
- 2) Mail in Order Form

You can also download additional copies of these documents from our website at NoBadDriving.com by clicking on the “Fundraising and Affiliate Programs” icon and then the “Forms” link.

Your Organization Code is _____.

This code is necessary to determine sales generated by your organization.

Your next step is to sign up users for the Driver Monitoring Service. Subscriptions can be purchased on-line, by phone or mail-in orders (see enclosed instructions).

When customers enter your Organization Code, it allows us to determine you sold the order. Because of this, it is crucial that your customers enter in the Organization Code when ordering. This information is then processed for our records and allows us to determine your sales volume for your monthly check.

If you have any questions, please call our office at 1-877-204-0282.

Sincerely,

The No Bad Driving Team
